

Monthly Seminars Presents

Date: Tuesday, October 3, 2017
10:00 a.m.—12:00 p.m.

Location: Biomedical Science Tower South, Room S100A

Presenter: Jeff Hudson
North American Sales Manager
Lexogen, Inc.

Seminar: RNA-seq Experiment Pipeline

Lexogen Inc. has developed a complete line of reagent kits for working with the transcriptome to make your life easier. From RNA extraction, to rRNA depletion and mRNA enrichment, to library prep kits for whole transcriptome and expression profiling and more. Seminar will include how to make libraries without fragmenting your RNA to get unparalleled strand specificity. We will also show you how to make expression profiling easy and affordable.
